

# PWP Reunion

The theme for the night is  
**"Past, Present and Future"**  
 Saturday 18<sup>th</sup> September

PWP has been in existence in Australia for over 44 years so we thought it was time that we celebrated.

To ensure this night's success, we need the help of the PRESENT MEMBERS of PWP.

We are asking all members to send a text message or an email to 5 past members or post a message on facebook to let friends know about this exciting night.

We have many volunteers selling tickets from different branches and of course from Head Office. It will be like a big school reunion, but with many many more members.

The night kicks off at 7pm in the Auditorium of Parramatta RSL, Cnr Macquarie and O'Connell Sts, Parramatta.

The RSL club has been extensively renovated and looks fantastic and we have full use of the club and the auditorium. The club has fantastic facilities for eating but this will be very popular on the night, so get in early if you wish to eat. All food and drinks at your own expense. Tickets are only \$10 each, for members and non members.

Our volunteers are ready to make this a night to remember, BUT to make sure the function can be staffed sufficiently, we need to know of numbers beforehand. Please do not leave your ticket purchases to the last minute. Payment can be made to one of the contacts listed or mailed to State Office.
